Colours of Angels

Colours of Angels offers 7 connections with 7 Archangels and their respective Rays. These 7 connections are offered in one distance initiation that will connect you to each Archangel and you will then be able to call upon any or all of these Archangels whenever you wish. Angels never leave or ignore you and will listen to you whatever the time of day or night.

As you are connected to each Archangel you will also be connected to each Ray that the Archangel serves from and it's respective colour. By simply visualising the colour of each Archangel that you have been connected to you will feel the connection strengthen. This is ideal for those who have difficulty visualising images as the simple task of visualising the colour is all that is required.

The Seven Archangels and Rays are as follows:

Archangel Michael who serves in the First Ray which is the Blue Ray and the Ray of Protection and Power.

Archangel Jophiel who serves on the Second or Yellow Ray which is the Ray of Illumination and Wisdom.

Archangel Chamuel who serves on the Third or Pink Ray which is the Ray of Love.

Archangel Gabriel who serves on the Fourth or White Ray which is the Ray of Harmony and Purity.

Archangel Raphael who serves on the Fifth Ray or Green Ray which is the Ray of Healing and Truth.

Archangel Uriel who serves on the Sixth Ray or Gold Ray which is the Ray of Peace.

Archangel Zadkiel who serves on the Seventh Ray or Violet Ray which is the Ray of Freedom.

Each connection is received one after the other in one distance initiation which will permanently connect you to each Archangel and Ray.

Hieracy of Angels

Archangels are a division of Angelic Beings and watch over and care for the human race. The 7 main Archangels work through the Colours of Angels connections and are able to assist us all in many areas of our lives if we simply call upon them to do so.

There are 9 levels within the Angel Hierachy starting with the Seraphim which is the highest level closest to the Source, through to Angels who are the closest to Humans.

The 9 levels are as follows with number 1 being the closest to the Source.

1 Seraphim

The Seraphim who are beings of pure light are the level closest to the source and are considered to be the angels of pure light, love and fire. The Seraphim shine so brilliantly with pure light that you will never be able to see them but you can still access them through prayer or asking.

2 Cherubim

The next level is the the Cherubim who channel positive energy from the Source and guard the stars. They represent the wisdom of the source.

3 Thrones

The Thrones are the next level and channel energy to you through your guardian angel. They are the investigators for the Source and create and collect positive energies and represent justice. They also provide guidance in matters of karma.

4 Dominions

The Dominions are the next level and represent wisdom and intuition.

5 Powers

These are the Angels that keep track of human history. They will send messages when someone or something is out to harm you. The Powers will help you to see through situations and problems and you protect you when in trouble.

6 Virtues

The Virtues work hand in hand with the Thrones and send lots of spiritual energy to help people develop the tools required to progress along their spiritual path. They love positive people and also often perform miracles. The Virtues also represent extreme courage.

7 Principalities

The Principalities guard countries, cities, and groups of people on Earth. They protect political and religious leaders and help them make the right decisions.

8 Archangels

The Archangels can actually belong to several levels, but they enjoy dealing with humans when and where they can. They are considered the "Special Team Force" of the angelic realms. They channel positive energy to the world from the source. They have different qualities that you will be introduced to later in this booklet.

9 Angels

The last level but by no means the least important are the angels. The Angels help us with our day to day life and bring information and guidance from the source to humans. Your Guardian Angel belongs to this level and works closely with you at all times.

Archangel Michael's Blue Ray of Protection

Archangel Michael serves on the First Ray which is the Blue Ray of Protection.

Archangel Michael offers us protection both spiritually and physically and can be called upon at any time. When in need of Michael's help simply call

"Archangel Michael please help me. I need your protection and guidance now"

You will often see small blue flashes of diamond like light when Michael is around you and this is his sign to you that he is with you.

Archangel Michael is able to offer you courage and protection when you are afraid and will help guide you when you feel lost and without direction in your life. As with all Archangels and Angels, Michael is very informal and a simple call for his help will be answered by him.

When calling for Michael to assist you can also visualise a blue ray of light around you and in you that is holding you in the protection of both Archangel Michael and the Blue Ray of Protection. Feel and see this blue light surround you from head to toe in a calming and nurturing manner to enable you to be free of any fears and vulnerability that you may be experiencing.

Feel the Blue Ray flowing into your Crown Chakra and down through each chakra in your body and out through your feet into the earth below. As the blue ray leaves your body, feel any sensations of fear and vulnerability leaving you and being replaced with the courage and protection that Archangel Michael offers you.

Accept his protection and courage with the love that he gives it to you and offer your heartfelt thanks to Archangel Michael for protecting you.

Archangel Michael's Sword

Archangel Michael carries a sword with him. This sword can help you to cut away any negative ties that may be holding you back in your life or in relationships with others.

Often we feel drained when we have been in the company of other people. By visualising Archangel Michael's sword cutting through the cords that are connecting you with those people's energies you will release any feelings of being drained.

Simply picture a white cord coming from you to the people or situation that is draining you and then see Michael's sword cut through those ties. Feel the protection and love that follows as Michael is with you, wrapping you in the protecting warm blue light of the First Ray.

Archangel Michael can assist in clearing negativity from a room or building. Visualise Michael surrounded by the Blue Light of the First Ray and feel that blue light extend throughout the room.

See the light removing negativity and replacing it with warmth and protection. As the final strand of negativity is leaving see Michael's sword cut through it and release the negativity into the Earth.

Archangel Michael will always listen to your call - when you are frightened or feel in need of protection simply ask him to be with you, standing by your side ready to protect you from any situation that could cause you fear.

How to pass The Colours of Angels connection distantly to others.

Before making the connection with the Archangels, prepare your room as you would when giving other attunements if you are currently a Reiki Master or teacher of any other healing modality. If you are not currently a Reiki Master then ensure that the room is warm, comfortable and that you will not be disturbed. Light candles, burn incense, play soft music or whatever you feel guided to do to create a relaxed and peaceful atmosphere.

Just before the time appointed to send the connection, make yourself comfortable and close your eyes for a few moments. Focus on your breathing and with each breath in, visualise each coloured ray entering your Crown Chakra and flowing through your body to your feet. Once you feel that the rays of light are flowing through you state either out loud or silently the following :

"Divine Spirit , Keeper of the Light, Archangels Michael, Jophiel, Chamuel, Gabriel, Raphael, Uriel and Zadkiel and all my guides, please be with me to pass this Colours of Angels connection to "[person's name](#)". May he/she receive this connection to enable him/her to feel a permanent connection with the Archangels and be able to call upon their assistance at any time. May the Coloured Rays of the Archangels now flow through his/her crown chakra into all the chakras of his/her body and down to his/her toes. May "[person's name](#)" feel these loving rays of colour flow through them now infusing their mind, body and soul with protection, love and warmth. "

Then take a few minutes to visualise the coloured rays of the 7 Archangels surrounding the person with protection, love and warmth. See Archangel Michael's Blue Ray of Protection, Archangel Jophiel's Yellow Ray of Wisdom and Illumination, Chamuel's Pink Ray of Love, Gabriel's White Ray of Purity and Harmony, Raphael's Green Ray of Healing, Uriel's Gold Ray of Peace and Zadkiel's Violet Ray of Freedom enter through the crown chakra, flow down through the body and out of the person's feet into the Earth.

Once you sense this has reached completion, say the following outloud or silently :

"Thank you Archangels and guides for connecting through me with "[person's name](#)" and infusing his/her mind, body and soul with the love and protection of your Ray's and Colour. May "[person's name](#)" be able to call upon you all to assist him/her at anytime."

The connection to the Colours of Angels is now complete.

How to pass The Colours of Angels connection in person.

If you would prefer to pass the connection to your students in person then the procedure is similar to the distance connection.

Prepare the room as usual and ask the student to sit comfortably in a chair. The student does not need to prepare in the same way for an inperson connection. They simply have to close their eyes and relax.

When you are ready to pass the connection close your eyes for a few moments. Focus on your breathing and with each breath in, visualise all the coloured Rays of each Archangel entering your Crown Chakra and flowing through your body to your feet one at a time. Once you feel that the rays of light are flowing through you place your hands on the person's crown chakra and state either out loud or silently the following :

"Divine Spirit , Keeper of the Light, Archangels Michael, Jophiel, Chamuel, Gabriel, Raphael, Uriel and Zadkiel and all my guides, please be with me to pass this Colours of Angels connection to "[person's name](#)". May he/she receive this connection to enable him/her to feel a permanent connection with the Archangels and be able to call upon their assistance at any time. May the Coloured Rays of the Archangels now flow through his/her crown chakra into all the chakras of his/her body and down to his/her toes. May "[person's name](#)" feel these loving rays of colour flow through them now infusing their mind, body and soul with protection, love and warmth. "

Then allow the connection to flow through you into the person's crown chakra and down through their body into their feet.

Once you feel this has reached completion say the following outloud or silently :

"Thank you Archangels and guides for connecting through me with "[person's name](#)" and infusing his/her mind, body and soul with the love and protection of your Ray's and Colour. May "[person's name](#)" be able to call upon you all to assist him/her at anytime."
